As we prepare for an exciting summer camp season with more registrations than ever before, we need to request some information from your church. In previous years, many churches have elected to pay a portion of the camp fee for all the children and youth who are planning to attend camp from their church. If your church is planning to support your campers in this manner, please let us know. Click here for a link to the [2009 Church Campership Intent Form](#). You may either email us with this information or fill out the form and return it to camp **as soon as you possibly can.**
