Presbyterian Writers Guild Contemporary Parables Book available on Amazon. Jesus often told parables that challenged the assumed wisdom of society but did so in a manner that entertained as well as hooked the reader into considering alternative perspectives. In less than 320 words, Jesus engaged his listeners in probing our response to violence, bigotry, and hypocrisy in the parable of the Good Samaritan. In approximately 200 words, Jesus probed the destructive impact of materialism in the parable of the Rich Fool. The Presbyterian Writers Guild invited fifteen writers from thirteen states across the country, including Ann White in Providence Presbytery, to create contemporary parables to address some of the significant issues in our church and society. The result is A Progressive Feast in Parabolic Story that is [available on Amazon](#). [Check it out!](#)
