**This Year-End Be a Part of New Vision for Honduras.** In 1985 Providence Presbytery sent the first team of travelers to Guatemala and Honduras to learn more about the mission programs that we support in those countries. Through August, 2017, there have been a total of 55 trips. Since 1992, most trips have had some type of medical component. Dr. Bill Oliver has been on many trips to examine eyes and fit glasses. He realized that many of the people in remote communities have cataracts. It has been his hope that our presbytery could set up a semi-permanent, free clinic where cataract surgery can be done several times a year by visiting ophthalmologists. Three years ago Bill and Barbara Kurz visited Honduras to gather information about the feasibility of setting up an eye clinic. There is definitely a need and support for us to move forward. We have raised about two-thirds of the money needed. \$30,000 more will make the eye clinic -- and restored sight -- a reality. **Order Alternative Christmas Cards.** This is the sixth year that noted artist Jerry Malzahn has produced a truly unique piece of art exclusively for the Society of St. Andrew, for the Alternative Christmas Card. The artwork is not available anywhere else in the world! This year's print, depicting Mary and the Infant Savior in the lamp-lit manger, is paired with beautiful text by Mary Louise Bringle, from her hymn, "Now the Heavens Start to Whisper." Every \$15.00 donation you give will send an Alternative Christmas Card to one recipient and share 500 servings of nourishing food with neighbors in need. **If you provide us your list of recipients, we will personally hand-address, sign, and mail the cards for you.** We will also send you this unique card as a special thank you. Or if you prefer, we will mail the cards and envelopes to you, to personalize and mail yourself. (We will not add your recipients' names to any list, so they will not receive any solicitations or other mailings from us, just the Alternative Christmas Card you've asked us to send.)
