BK P06 3664 C1	Rossing, Barbara RAPTURE EXPOSED. 2004. The idea of "The Rapture" - the return of Christ at the end of times to rescue and deliver born-again Christians off the earth - is an extremeky popular interpretation of the book of Revelation in the Bible and a jumping off point for the best-selling Left Behind series of books. This interpretation guides the daily acts of millions of people worldwide. In "The Rapture Exposed", the author argues that this script for the world's future is nothing more than a disingenuous distortion of the Bilble, based on a psychology of fear. The truth is that Revelation offers a vision of God's healing love for the world. (Book jacket)	Adult Book
